

## **Report on review of quarterly information – ITR**

To the Board Members and Directors of  
**Celulose Irani S.A.**  
Porto Alegre – RS

### **Introduction**

We have reviewed the interim, individual and consolidated financial information of Celulose Irani S.A. ("Company"), contained in the Quarterly Information - ITR Form for the quarter ended June 30, 2019, which comprise the balance sheet on June 30, 2019 and related statements of profit or loss and of comprehensive income (loss) for the three month and six month periods ended at that date, and of changes in equity and of cash flows for the three month and six month periods ended at that date, including explanatory notes.

Management is responsible for the preparation of the interim financial information in accordance with CPC 21(R1) and IAS 34 - Interim Financial Reporting, issued by the International Accounting Standards Board - IASB, as well as for the presentation of this information in a manner consistent with the standards issued by the Securities Commission, applicable to the preparation of the Quarterly Information - ITR. Our responsibility is to express a conclusion on this interim financial information based on our review.

### **Scope of Review**

We conducted our review in accordance with the Brazilian and international review standards for interim information (NBC TR 2410 - Review of Interim Financial Information Performed by the Independent Auditor of the Entity and ISRE 2410 - Review of Interim Financial Information Performed by the Independent Auditor of the Entity, respectively). A review of interim information consists in asking questions, chiefly to the persons in charge of financial and accounting affairs, and in applying analytical procedures and other review procedures. A review is substantially smaller in scope compared to an audit conducted in accordance with Brazilian and International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

### **Conclusion on individual and consolidated interim information**

Based on our review, we are not aware of any other event that make us believe that individual and consolidated interim financial information included in the quarterly information referred to above was not prepared, in all material respects, in accordance with CPC 21 (R1) and IAS 34 issued by IASB and applicable to the preparation of Quarterly Information - ITR, and presented in a manner consistent with the standards issued by the Securities Commission - CVM.

### **Other matters – Statement of Added Value**

The individual and consolidated interim financial information related to statements of added value (DVA) for the six-month period ended June 30, 2019, prepared under responsibility of Company's Management, and presented as supplementary information for IAS 34 purposes, was submitted to review procedures carried out jointly with the audit of Company's quarterly information. To form a conclusion, we evaluated

whether these statements are reconciled with interim financial information and accounting records, as applicable, and whether their forms and contents are in accordance with criteria defined in Technical Pronouncement CPC 09 – Statement of Added Value. Based on our review, we are not aware of any other event that make us believe that those were not prepared, in all material respects, in accordance with individual and consolidated interim financial information taken as a whole.
